Project 1878

-Capital Campaign Drive-

For more than 143 years, since 1878, Selma University has provided educational opportunities to underprivileged students, who otherwise may not have been able to gain a college education. Thus, Selma University meets the needs of students by providing an affordable education while creating servant leaders for our communities.

We aim to continue our tradition and increase our capacity to create servant leaders who help themselves, help others, help others to help themselves, and inspire a generative spirit of servant leadership. To this end, we are launching “**Project 1878**” to raise **\$187,800** to support capital improvements and the needs of our students.

The theme for Project 1878 is **SMILE & Donate**. SMILE inspires us to:

- Share our philosophy, mission, and plans.
- Make integrity and character a priority.
- Increase community involvement in everyday operations.
- Lead by example through living, loving, sharing, and giving to the fullest.
- Establish a sound financial foundation that provides a debt-free education.

We greatly appreciate **all donations**, in any amount, to **Selma University**. Recognition of contributions will be prominently displayed on campus as indicated below:

- Platinum Donor: \$18,780 or more** (Engraved Brick)
- Gold Donor: \$1,878 or more** (Engraved Gold Name Plate)
- Silver Donor: \$187.80 or more** (Engraved Silver Name Plate)
- Bronze Donor: \$18.78 or more** (Engraved Bronze Name Plate)

Donate by **November 30, 2021**, in person, by mail, or at www.selmauniversity.edu.

Contact: Dr. James E. Burrell, Chief of Staff, (719) 232-0255 or j.burrell@selmau.edu

Thank you in advance for your support!
